

Hello C&C Community!

After nine great seasons at the AutoMotorPlex, we are excited to announce that we are moving the shows effective immediately. However, there will not be a show this Saturday because our new location isn't ready for 10K+ people yet.

What happened?

We have been wanting to move the event for some time now. It's obvious that we've outgrown the Motorplex, and our plan was to move the event for the 2018 season.

After our last massive show in April, we had a meeting with the City of Chanhassen. Lt Eric Kittleson of Carver County deemed the event a public safety concern. Even after nine years of zero incidents, he recommended to the city manager (Todd Gerhardt - tgerhardt@ci.chanhassen.mn.us) that the following changes must be made in order to continue the show in Chanhassen.

- 1). Reduce show attendance by 80%
- 2). Pre-sell tickets to all attendees and guests.
- 3). Eliminate all street parking in the area. Yes, even parking on public streets.
- 4). Utilize the local park and ride facilities, then rent buses to transport ALL attendees to the show...at our expense.

Lt Kittleson said that the traffic issues and safety concerns associated with the show dwarf any benefit the events bring to the surrounding community, families, businesses, etc.

We strongly disagree with him, obviously. Plus, we've worked extremely hard the past nine years making this C&C the biggest (and best) in the country. The last thing we want to do is charge admission and limit the amount of car enthusiasts that can attend.

We will announce our new location as soon as possible. Stay up-to-date and follow us on social media (@mncandc), along with our updated web site - www.MNCandC.com

MN C&C 2.0 - will be amazing. No more issues with general parking either. If you want to roll-in with your car club and park next to one another, we will be able to accommodate you. The new location will allow us to continue to grow! And best of all, C&C will remain FREE, as all car shows should be.

Plus, we will be bringing in more food trucks, along with other special guests each month!

Although this change is happening quicker than we planned for, we are so excited to take this event to the next level.

We're sorry to have to cancel the May show, but the city is standing firm on these new permit requirements. Feel free to email the city manager and let them know what C&C means to you.

Thanks for your years of support,
Tyler & Luis
