

Expect over 400 vehicles displayed both indoors and outdoors across the sprawling 20-acre campus, ensuring an unforgettable experience. Collector car owners are invited to exhibit their prized vehicles in the show area on a first-come, first-served basis. Guests will see:

- Classics (manufactured between 1925 and 1948)
- Collector (cars at least 25 years old)
- Muscle (high performance American-made cars produced between the mid-1960s and early 70s)
- Antique (cars at least 45 years old)
- Street Rods (custom-built cars designed to resemble cars from the 1930s and 1940s)
- Exotic (high performance sports cars and luxury vehicles that are typically rare and expensive)
- Vintage Motorcycles (motorcycles at least 35 years old)

Visitors will also have the unique opportunity to peek inside many of the 120 meticulously customized garage condos, affectionately known as 'Caves.'

The event offers free parking both on-site and off-site, welcoming spectators to immerse themselves in this automotive extravaganza featuring a diverse range of exceptional vehicles. [Parking Map](#).

Cars and Caves is family-friendly and free to attend. Each month, our local Chanhassen favorites, [Dandy Lion Coffee](#) and [Dog Park Gourmet](#), will be on site to provide great drinks and food to enjoy while at the show.
